3) On September 15, 2019, the Company announced that it had reached an agreement in principle on a framework for settling the U.S. opioid litigation facing the Company with twenty-four (24) state attorneys general, analogous officials from five (5) U.S. territories, the Plaintiff's Executive Committee in the MDL, and co-lead counsel in the MDL. In connection with this agreement in principle, the shareholders of the Company are expected to contribute their ownership in the Company to a trust or other entity established for the benefit of claimants and the American people and a minimum of \$3.0 billion, with the potential for substantial further monetary contributions from the sales of their ex-U.S. pharmaceutical businesses. The Company has concluded that for accounting purposes a loss has been incurred and has recorded a provision in the amount of \$3.0 billion, in accordance with ASC 450, Accounting for Contingencies. This accounting provision of \$3.0 billion was recorded retroactively to December 31, 2018. The Company expects this amount to be paid by the shareholders of the Company. The Company will reclassify the liability associated with the cash settlement that is expected to be paid by the Company's shareholders to equity as a capital contribution if the settlement agreement is finalized and executed.
